August 14, 2020

Reference: Ameristar Air Cargo Approved Vendor

Dear Mr. Lopez,

Based on the mail-in self-audit conducted by Mike Lopez of EMC Aerospace, Inc. on August 14, 2020; EMC Aerospace, Inc. has been approved and placed on Ameristar Air Cargo, Inc.'s (AAC) Approved "sub-contractor's or Maintenance Provider List (MPL).

EMC Aerospace, Inc. is authorized to perform maintenance on AAC's (aircraft / aircraft components / engines) to the extent of your repair station's current Operations Specifications (OPSS). All maintenance must be performed in accordance with current manufacturer's technical data. Under certain circumstances if we feel additional AAC's maintenance program requirements are warranted, we will include these requirements along with our work order.

You are hereby authorized to use your company's entire Quality System, procedures, forms, tags and labels for the accomplishment of our requested maintenance in order to comply with our maintenance program requirements. However, AAC does require a FAA Form 8130-3 for the Return to Service of maintenance performed.

Please maintain this letter and have it available for FAA review.

Regards,

A handwritten signature in blue ink that reads "Richard Cole".

Richard Cole  
Director of Quality Control
